Dear Woody:

Thank you for your letter of August 12, concerning the above named individual. I have talked to our attorney and he feels this individual should be placed on our Confidential File, so that registration can be refused in the future.

I am enclosing a Confidential Record Sheet which I would like to have completed, so we may identify Mr. Balles should he attempt registration in some other location. This would give us what we need for a file, unless you can secure further information.

Thanks for your help in protecting the youth of America.

Sincerely,

Paul Ernst, Director

Dear Paul,

I received your note today regarding the status of the investigation of James Richard Balles, Jr.

There is no hard evidence that he has had any sexual involvement with youngsters. He has, as I may have indicated earlier, left his family in favor of a male friend with whom he is living.

Because of this lifestyle and how it would be perceived by the parents of the Cub Scouts in the Pack where he was registered as a committee member, the Cubmaster spoke to him and suggested his involvement might raise some concerns and that it would be better if he were to step down. This he did with no reservations and he has been removed from the files.

Without being able to substantiate the allegations of child abuse, but in light of his chosen lifestyle, we felt this was the best alternative in handling the situation. He does not even admit to being gay.

Should there be merit, this letter might be placed in a "watch" file, although as a long-time resident of the area, his relocating elsewhere is unlikely and future attempts to register will be reviewed by this Council.

Thanks for your interest and help.

Sincerely,

SUBJECT: JAMES RICHARD BALLEE, JR

Dear Woody:

We received a phone call from your office in February, and wrote in May concerning the above named individual. I hope we have the name spelled correctly and this is not really some other individual for whom we have now completed the file.

We have not heard from you since that time and wondered if any other material and information was available so that we could complete our file and have adequate information for refusing registration.

We did send you a confidential record sheet, but we would like information which would substantiate the allegations of sexual abuse.

Let us know if we may be of any help to you.

Sincerely,

Paul Ernst, Director  
Registration Service

SUBJECT: JAMES RICHARD BALLE, JR.

Dear Woody:

We received information in February, concerning the above named individual. This was through a phone call indicating that there were allegations of sexual abuse of youth several years ago.

We had not heard from you since that time and wondered if you could send us other information which would help substantiate refusal of registration for Mr. Balles should he attempt it in some other location. We are enclosing another Confidential Record sheet which we would like to have completed, so we may identify him wherever he might move.

We would also like a copy of an application with his signature, if this is available, as this aids in the identification process.

Thanks for your help in protecting the youth of America.  
Sincerely,

Paul Ernst, Director
